THIS PAPER IS NOT TO BE OPENED UNTIL PERMISSION HAS BEEN GIVEN BY THE INVIGILATOR.

SECTION 1

Answer Question 1 (Compulsory)

Question 1

A community development programme is designed to stimulate and promote conditions for social, cultural and economic progress by coordinated methods which involve a primary emphasis on responsibility and action at the local level. Describe five (5) measures that should be included in designing a community development programme

[40 marks]

SECTION 2

Question 2

a) With some examples to illustrate your answer, discuss the principles guiding community development advocated by Thomson (1957) and Anyanwu (1992) [20 Marks]

b) Explain the role of adult education in assisting communities to be sustainable. [10marks] [Total marks = 30]

Question 3

Critically discuss the statement that, "community development involves not just the growth of local communities but efforts made by the people to achieve such development, and integration of these communities into national life" [30 marks]

Question 4

Describe six (6) main characteristics of a community in a Swazi setting [30 marks]
