**Question 1 (Compulsory)**

There is no point in studying rural extension methods in Swaziland given that the country is striving to achieve first-world status which, by extension, implies being a highly-industrialised as well as a technologically-advanced country.

Do you agree with this statement? Explain, giving four (4) reasons to support your position  
[4 x 10 = 40 marks]

**Question 2**

Identify and explain four (4) principles of rural development programmes [4 x 5 = 20 marks]

**Question 3**

With the help of examples, differentiate between two (2) types of extension [2 x 10 = 20 marks]

**Question 4**

Identify and explain four (4) principles of extension. Give suitable examples to support your answer  
[4 x 5 = 20 marks]

**Question 5**

(a) What do you understand by the training and visit (T & V) system? [5 marks]

(b) In what ways is the T & V system a suitable method for providing extension services in Swaziland? Explain three (3) ways, providing suitable examples to support your answer  
[3 x 5 = 15 marks]

[Total marks = 20]
