Question 1

Choose any three of the theories of motivation that you have studied and discuss how you think these theories could help to motivate the teachers in your school.

Question 2

Think of three school administrators whom you have known in your professional life, whose styles were different. Based on your readings on leadership, discuss the styles of these administrators, showing what effect these styles had on the school(s).

Question 3

Use the idea of participative management to discuss two national issues affecting teachers which, in your view, could best be resolved by using participative decision making.

Question 4

Discuss the conditions that exist in your school which would facilitate participative decision making and which do not exist but could be cultivated.
