QUESTION 1 (25 Marks)

The health system has a role to play in curbing gender-based violence (GBV) and providing quality care to all victims. In that respect, outline the specific roles, responsibilities or obligations for each of the following components of the health system:

- (a) An individual health care provider. [10]
- (b) Health facilities. [10]
- (c) Policy makers and public administration. [5]

QUESTION 2 (25 Marks)

- (a) What do you understand by the term gender analysis? [5]
- (b) You are tasked to conduct a gender analysis in a selected chiefdom in Swaziland. Outline the guiding principles that you would need to observe in order to come up with a good report. [10]
- (c) Briefly describe any five (5) key elements which you will include in the analysis. [10]

QUESTION 3 (25 Marks)

- (a) What do you understand by sustainable development goals (SDGs) [5]
- (b) Discuss the relationship between SDGs and gender mainstreaming. [20]
