Re-Sit Examination July, 2017

Course Title: Social Development, Policy and Planning

Course Code: SWK233

Time Allowed: 2:00HRS

Each question carries equal marks

Instruction: There are two sections in this examination paper. The first section consists of one question, which is compulsory to attempt. In section two, there are five questions, out of which you are required to attempt any two.

Section A: Compulsory

Q1. Discuss poverty from the social exclusion approach point of view.

Section B: Answer any two questions

- Q2. Among the developmental oriented policies in Swaziland, the National Social Development Policy (2010) is one to mention. Describe the vision, mission, and goal statements of the policy and the approaches proposed to implement the policy.
- Q3. Define social policy and its study focuses.
- Q4. Within the “clock-time frame”, it is possible to introduce time into the conceptualization of poverty in two ways. Using the frame, discuss how time can be a way of conceptualizing poverty.
- Q5. The social dimension is one of the major areas to measure social development progresses. The social dimension has four sub-indicators. List these indicators with full description.
- Q6. Growth and development usually go together, but they are different phenomena subject to different definitions. Describe the differences between development and growth.
