TIME ALLOWED: TWO (2) HOURS

INSTRUCTIONS: 1. ANSWER ANY THREE (3) QUESTIONS

2. ALL QUESTIONS CARRY EQUAL MARKS

**THIS PAPER IS NOT TO BE OPENED UNTIL PERMISSION IS GRANTED BY THE
INVIGILATOR TO DO SO**

QUESTION ONE

The primary goal of rehabilitation counseling is to assist individuals with disabilities gain or regain their independence through employment or some form of meaningful activity.

- a) Critically discuss why the social workers in rehabilitation are supposed to understand how disability affects the human body.
- b) What role can critical thinking play in rehabilitation counseling

QUESTION TWO

“Rehabilitation counseling has been described as a process whereby the counselor works collaboratively with the client to understand existing problems, barriers and potentials in order to facilitate the client’s effective use of personal and environmental resources for career, personal, social and community adjustment following the injury” (Chan et al., 2015).

- a) Examine the importance of adhering to ethical and legal standards in rehabilitation counseling
- b) Discuss the types of correctional counseling.

QUESTION THREE

Rehabilitation social workers need to understand how living in a multicultural society affects clients seeking rehabilitation services. Discuss this statement.

QUESTION FOUR

Critically discuss the code of professional ethics for rehabilitation counselors and highlight the challenges faced by correctional counselors, which other counselors outside of the field might not have to deal with.

QUESTION FIVE

Discuss the importance of identifying and challenging criminal thinking when counseling an offender.

QUESTION SIX

Examine the importance of motivational interviewing within the correctional facilities and why it might be useful with offenders.
